Resolutions

1. 23-049 - Resolution F-148 - Boulder Surplus

Through the course of various excavation projects throughout the City, the Street Department has accumulated a large inventory of boulders which are now being stored at the materials yard at the Utility Building. Under CMC 2.74.020, Council can set a fixed price for the surplus of property, or any lot or portion thereof, and the property can be sold in total, or in lots, to the public without a call for bids. City staff is proposing to surplus the existing boulders at a current market rate of \$450/ton.

3. 23-051 - Resolution F-150 - Medical Lake Interlocal Yard Waste Disposal Agreement

The City's yard waste collection is not meeting past volumes for the production of its compost operations, and over the past few years, it has had to purchase additional yard waste to meet compost production capacity. Staff has been working with Medical Lake to provide yard waste collection and disposal services at the collection facility and have negotiated an interlocal agreement for such service.

4. 23-052 - Resolution F-151 - Terra Vista Lift Station Repair Project

The Terra Vista Lift Station is experiencing extensive mechanical issues stemming from a damaged pump drive. Further investigation also uncovered a significant decline of the lift station's discharge piping. RC Worst Company has submitted a time and material estimate to replace and upgrade all three of the existing pump drives and replace the existing PVC discharge piping with stainless steel pipe.
