To: Mayor Grover and City Council
From: Todd Ableman, Director of Public Works
Subject: 2021 to 2026 Transportation Improvement Plan
Date: June 8, 2020

The Cheney Transportation Improvement Plan (TIP) 2021-2026 will be the subject of a public hearing at the June 23, 2020 City Council meeting.

Below are some of the main points of interest with respect to the Cheney Transportation Improvement Plan:

- No residential street improvements in 2020. The plan continues the intended 2020 plan in 2021, and deferring remaining plan streets by one year, with the exception of Washington Street Preservation project scheduled for 2020.
- The 2021-2026 Arterial Street program qualifies for federal and state preservation funds as staff will continue to apply for these funds when available.
- The Residential Street Plan 2021-2026 is estimated at \$ 2.0 Million for funded preservation work and \$ 1.1 Million for planned grant matching funds.
- The Arterial Street Plan 2021-2026 is estimated at \$ 4.8 Million.
- 8.81 miles of transportation improvements are proposed with 6.04 miles of funded local access street and 2.77 miles of Arterial Streets.
