- B. Work involving the performance of services within the classification contained herein is recognized as bargaining unit work and shall not be performed by any person not a member of the bargaining unit, except by Communications Supervisor(s). In order to provide break relief for dispatchers and for unforeseen emergency relief, work may be performed by other City of Cheney Police Department personnel and properly trained EWU Police Officers.

ARTICLE 4. UNION SECURITY CLAUSE

- ~~A. It shall be a condition of employment that all employees of the Employer covered by this Agreement shall remain members in good standing; and those who are not members on the effective date of this Agreement shall on the thirtieth (30th) day following the effective date of this Agreement, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after the thirtieth (30th) day following the beginning of such employment become and remain members in good standing in the Union.~~
- ~~B. All full-time or regular part-time employees presently employed who are not members of the local Union shall, as a condition of employment, pay to the local Union, the employees' exclusive collective bargaining representative, a service fee equal to the regular and usual dues paid by other employees in the bargaining unit who are members of the local Union. This payment is to be made by deduction of wages and sent to the Union along with the regular dues deduction.~~
- ~~C. Any employee whose religion forbids him/her from joining or contributing to a union may not be required to do so as a condition of employment, but will pay equivalent amounts of dues and initiation fees to a charity. Any employee who claims this religious objection will be charged for grievance/arbitration process fees.~~
- ~~D. The Union agrees to hold Employer harmless for discharges made pursuant to Union request under Union security provision of this article.~~

The Employer recognizes the Teamsters Local 690 (hereinafter UNION) as the sole and exclusive bargaining representative in all matters concerning wages, hours, and other conditions of employment for all employees described in the recognition clause.

The Employer shall remain neutral when communicating with employees about Union membership and direct the employee to discuss union membership with a Union Staff Representative and or contact the Washington State Public Employment Commission.

The Employer agrees to deduct an amount equal to the membership dues from the salary of employees who request such deduction in writing within thirty (30) calendar days of receipt of a properly completed request submitted to the appropriate agency payroll office. Such requests will be made on a Union payroll deduction authorization card. The Union shall provide the Employer copies of the blank payroll deduction authorization card for distribution to new employees.

Upon receipt of the employee's written authorization, the Employer will deduct from the employee's salary an amount equal to the dues required to be a member of the Union. The Employer will provide payments for the deductions to the Union at the Union's official headquarters each pay period.

Forty-five (45) calendar days prior to any change in dues, the Union will provide the Human Resources Department and Payroll Department, the percentage and maximum dues to be deducted from the employee's salary.

Union payroll authorization cards are valid whether paper or electronic and either way the city agrees to keep a copy in a secure location which shall be made available for review to the Union.

An employee may revoke his or her authorization for payroll deduction of payments to the Union by written notice to the Union and the Employer in accordance with the terms and conditions of their signed authorization card. If the Employer determines that it appears that the employee has revoked his or her authorization for payroll deduction in accordance with the terms and conditions of their signed authorization card, every effort will be made to end the deduction effective on the first payroll period following their revocation, and not later than the second payroll period. The Union has the right to challenge any employer action to revoke a dues deduction authorization by filing a grievance under the collective bargaining agreement's grievance procedure.

The Union agrees to indemnify and hold the Employer harmless against any liability which may arise by reason of any action taken by the Employer to comply with the provisions of this Article, including reimbursement for any legal fees or expenses incurred in connection with such action. The Employer will promptly notify the Union in writing of any claim, demand, suit or other form of liability asserted against it relating to its implementation of this article.

ARTICLE 5. EMPLOYER RIGHTS

Any and all rights concerned with the management and operation of the Department are exclusively that of the Employer unless otherwise provided by the terms of this Agreement. Nothing in this Agreement shall be construed as delegating to others the authority conferred by law on the Employer, or in any way abridging or reducing such authority. Any and all rights concerned with the management and operation of the Department are exclusively that of the

Employer unless otherwise provided by the terms of this Agreement. The Employer retains all management rights granted by the Common Law, Statutes, and City of Cheney Rules and Policies. ARTICLE 7. HOURS OF WORK

- A. Employees shall work an eight- (8) hour shift including lunch and breaks. A normal shift shall consist of eight (8) consecutive hours. Regular part-time employees' work week will be adjusted accordingly to the hours they are scheduled to work, which normally is thirty-two (32) hours per week. Full-time regular employees shall be offered forty (40) hours' work or pay each work week. Any program change that may affect the hours worked will be discussed with the employees prior to implementation. The Employer agrees to consider information given by employees but will make the final decision. Rest periods shall be provided at the rate of not less than ten (10) minutes for each four (4) hours of working time. It is understood that the position is fixed post and breaks may not always be taken off station.
- C. It is hereby agreed between the City of Cheney Emergency Dispatch Services Teamsters Union Local No. 690 that the following conditions set forth and govern the terms and related contractual provisions addressing an Employer option four- (4) day, ten- (10) hour-per-day work week. Therefore, it is understood that employees shall work a scheduled four- (4) day, ten (10) hours per day shift in the following manner. A normal shift shall consist of ten (10) consecutive hours with three (3) consecutive days off. Employee shall be entitled to a total of seventy-five (75) minutes in break time, including mealtime, for each ten- (10) hour shift. The employee is aware that his or her break periods may be interrupted by emergency calls. - D. The Employer agrees that in the event of a routine work week or shift change, a one- (1) week notice of such change shall be given to each employee before such change is made, except for a shift change of one (1) hour or less or unless an emergency exists as determined by the Chief of Police. Shift changes other than described above can be made by mutual agreement with the Employer and employees.
- E. Unless otherwise provided for call-ins or call-backs, an employee required to report for work may be offered no less than two (2) hours' work or pay. *The seniority list will be used when overtime is used to fill an absence of greater than two (2) hours. Absences of two (2) hours*

or less that require overtime will generally be filled by extending the shift of the oncoming or outgoing dispatcher as appropriate. The City and Union agree to deviate from the italicized system above for the purpose of exploring improvements; this will be done via Joint Labor-Management meeting(s). Upon mutual agreement of a modified system, the changes to this provision shall be codified by Letter of Agreement.

- F. Each employee shall provide a current address and phone number(s) to the department. Employees will be expected to return phone messages for shift coverage and other department matters in a timely manner. Employees will be given a period of time to respond to the offer that is reasonable to the situation before the next person on the list will be contacted. Any shifts that cannot be filled will then be offered to part-time or temporary employees, then supervisory employees. If the absence is still not filled, it will be management's right to deny the request.
- G. For the purpose of administration and for the ease of figuring the employees' benefits, as provided under Article 12 (Holidays) and Article 13 (Vacation, Education, Sick, and Military Leave, etc.) of the main agreement, days shall be converted to hours and paid accordingly. Payment allowance for the employees' Floating Holiday shall be designated and paid based on the daily amount of hours which coincide with the employees' scheduled work week in which the holiday is taken.

ARTICLE 8. OVERTIME

A. Daily and Weekly Overtime

- 1. All compensable hours (work) which has been authorized by supervisory or command personnel and is performed in excess of forty (40) hours at straight time in a seven- (7) day period (unless such work is caused by normal and routine shift rotation) shall constitute overtime and shall be paid for at one and one-half (1½) times the employee's straight time hourly rate unless otherwise provided herein. The above provisions pertaining to routine shift rotation must be in compliance with Fair Labor Standards Act (FLSA) requirements.
- 2. Bargaining Unit Members attending contract negotiation meetings outside of their regularly scheduled shift shall be paid at one and one-half (1½) times in compensatory time. The number of bargaining unit members compensated for any contract negotiation meetings shall not exceed two (2).
- 3. In the event of a situation requiring mandatory coverage, the supervisor will first ensure that all voluntary options have been exhausted including part time employees and the Director. When mandating employees, the supervisor will consider the practicalities of the schedule and then mandate the least senior employee that can cover. If the least senior employee has been mandated in the last 30 days and there are any other options, the next senior employee should be mandated and so on.

B. Pay for Court Appearance and Department of Licensing

1. In the event an employee receives a direct order from within the chain of command to appear outside their regularly scheduled work hours, they shall be paid at the rate of one and one-half (1½) times their regular straight time hourly rate for the actual time with a minimum of two (2) hours.
2. 3. Any fees or other compensation paid to the employee for such testimony shall be remitted to the City.

C. Compensatory Time

1. At the employee's request, and with the approval of the Chief of Police, a renewable bank of up to ~~fifty (50)~~ **fifty-five (55) hours** of compensatory time off may be accumulated at the rate of time and one-half for all overtime hours worked. Accrual over fifty (50) hours will be paid as overtime. Employees shall be allowed to carry over their compensatory time off into the following year.
2. In regulating the use of comp time, supervisors will use the following guidelines, which have been agreed by the parties in order to ensure compliance with the FLSA. The parties therefore agree it is unduly disruptive to the operation of the Police Department if employees:
 - Give less than five days' written notice of their desire to use compensatory time off, provided that less notice may be given with the mutual agreement of the employee and their supervisor;
 - Request the use of compensatory time on any recognized holiday as set forth in this bargaining agreement or on Christmas Eve or New Year's Eve, when the granting of such time off would require the City to bring in another employee to cover the shift; or
 - Request the use of compensatory time during any special event.

The above list is not intended to be all-inclusive of situations that are unduly disruptive, but rather, is intended to give the parties guidance concerning the unduly disruptive provisions of the FLSA.

3. Employees may cash out accrued compensatory time, up to fifty (50) hours, by providing written request to either Human Resources or Payroll.

**ARTICLE 13. VACATION, EDUCATION, SICK, AND MILITARY LEAVE;
LEAVE WITHOUT PAY; ATTENDANCE AND EXCESSIVE ABSENTEEISM; JURY
DUTY**

A. Vacation

1. Each bargaining unit employee shall accrue vacation time as set forth below, based on continuous length of service accumulated as of the most recent anniversary date of employment.
2. Vacation time shall accrue on the following basis:

<u>Length of Service</u>	<u>Monthly Rate of Annual Leave in Hours</u>
0 through 4 years	8 hours

Training dates that are known and special events such as football games that require extra staffing will be included. Once the schedule is posted, a vacation bid list will be provided, starting with the most senior employee. Each employee will have one week to make their selection(s) and forward the bid list on to the next senior employee. If an employee is not available, they may select through a proxy; otherwise, after one week the bid list will continue to the next senior employee to select. As soon as practical after the least senior employee has made their bid request, the Employer will publish the updated schedule after considering requests as well as agency program needs.
6. Employees may bid up to the number of vacation hours they will have on the books at the time of the requested vacation. Employees may not bid for days that have already been requested by a senior employee; however, they will be given the opportunity to note on the bid sheet that if the senior employee changes their vacation, they would like an opportunity for that block of time.
7. Nothing in the above paragraphs will preclude the right of an employee to request vacation leave, compensatory leave, or his/her personal holiday at any time. The Employer will consider said requests in relation to staffing needs, program needs, and the existing published vacation schedule, all of which will take precedence. These requests will be resolved on a first-come, first-serve basis.

8. Scheduling Planned Leave

The city will attempt to grant all employees planned leave at the time they desire to take it. However, Central Dispatch must maintain adequate staffing at all times. Therefore, planned time off must be scheduled in advance and with prior written approval. Only one employee will be granted vacation, comp, or floating holiday time off per day. (For purposes of this policy, shifts that begin on 1 calendar day and end on the next will be considered as taking place on the calendar day that the bulk of the hours are assigned.) Once leave is granted for an employee and posted on the schedule, leave during that day should not be requested by any other employee.

Where conflicts develop, preference will be given to vacation shift bids then the employee who made the earliest request.

9. An employee who ceases to be an employee of the Employer shall receive a sum of money equal to their former regular salary for any accrued vacation time which has not

been provided; however, in the event an employee fails to give the Employer at least ten (10) calendar days' written notice before quitting, the foregoing termination vacation pay shall be forfeited.

10. Subject to the approval of the Chief, the Employer will grant up to a maximum of five (5) days' emergency leave and personal leave per year for serious illness or death in the employee's immediate family. The immediate family shall be defined as spouse or domestic partner, children, mother, father, brothers, sisters, father-in-law, mother-in-law, grandparents, grandchildren, or other relatives living in the employee's household. Leave granted may be deducted from the employee's sick leave and/or vacation as the employee designates.

B. Education Leave

With thirty (30) days' notice the City may grant up to four (4) months' leave of absence without pay for the purpose of educational study at a recognized college or university. The City will consider paying the employee's tuition for a specific class that will show benefit to the City as well as the employee. Such class or program must be approved by the Mayor or his/her designee. The employee need not be on leave to participate. This benefit is to be considered nongrievable.

C. Sick Leave

1. Sick leave shall accrue at the rate of one (1) day for each full month of service. Sick leave shall accrue for each month in which the employee is compensated for eighty (80) or more hours of work and shall be prorated commensurate with hours worked. Sick leave shall accrue to a maximum of one hundred twenty (120) days (i.e., 960 hours). Section 6.3 of the Cheney Personnel Rules shall govern reasons for sick leave.
2. Employees are eligible for sick leave for the following reasons:
 - a. Nonoccupational personal illness or physical disability
 - b. Quarantine of an employee by a physician for a nonoccupationally related disability
 - c. Illness in the immediate family requiring the employee to remain at home per regulations set forth by the Family Medical Leave Act and the Family Care Act of the State of Washington
3. Upon eligibility for retirement or full disability or in the case of death of the employee, twenty-five percent (25%) of the accrued sick leave for Emergency Services Dispatch Personnel will be paid to employees or their beneficiaries in the final check.
4. Employees may convert accrued sick leave in excess of one hundred twenty (120) days to vacation at the same rate of one (1) day of vacation for every four (4) days of sick leave converted. The sick leave cap shall remain at one hundred twenty (120) days.

D. Military Leave

1. Any employee of the City who is a member of the State National Guard or federal reserve military unit shall be entitled to be absent from his/her duties with the City with full pay for up to twenty-one (21) calendar days during each calendar year while engaging in the performance of officially ordered military duty and while going to or returning from such duty in accordance with the laws of the State of Washington (RCW 38.40.060). Such leaves shall be in addition to any other leave or vacation benefits. In addition, all regular full-time or part-time employees (who have completed their first three months of employment) receive unpaid military leave of up to two (2) weeks for each instance of military service in compliance with USERRA 94.
2. Employees who are called or volunteer for service with the armed forces of the United States or the Washington National Guard shall be entitled to reinstatement in accordance with the provisions of the State Law (Ch. 73.16 RCW) and USERRA 94.
3. An employee promoted to fill a vacancy created by a person serving in the armed forces shall hold such position subject to the return of the veteran. The employee affected by the return shall be restored to the position he/she had previously held or any other equivalent position.
4. A new employee hired to fill a vacancy created by a person serving in the armed forces shall hold such position subject to the return of the veteran. The employee affected by the return shall be placed in as nearly equal a vacant position as may exist, or if no such position exists, may be subject to layoff.

E. Leave Without Pay

Upon written request of the employee, the Mayor or his/her designee, after consultation with the respective department head, may grant a regularly scheduled employee leave of absence without pay not to exceed six (6) months. Approval of such leave shall be in writing and signed by the Mayor or his/her designee. No vacation or sick leave benefits or any other fringe benefits shall accrue while an employee is on leave of absence without pay; moreover, the employee's anniversary date will be adjusted by the length of the leave granted. Upon expiration of a regularly approved leave without pay, the employee shall be reinstated in the position held at the time the leave was granted or to another equivalent position. The employee may continue medical, dental, optical, and other insurances by paying the premiums.

F. Attendance and Excessive Absenteeism

1. Attendance and punctuality are important to the efficient operation of the City's Central Dispatch Department. Good attendance and punctuality are essential components of good employee performance and are measured by objective standards. Poor attendance and tardiness disrupt the City's ability to deliver necessary services in a timely and effective manner.

2. Each employee shall be responsible for being present at the correct time for each day. On occasion employees may have reason to be absent from work. On these occasions employees are expected to contact their supervisor at least two (2) hours before their scheduled starting time on the first day and each subsequent day of an unscheduled absence, i.e., due to a personal or dependent illness or an emergency. Employees must indicate the reason and probable duration of the absence.
3. If the City has reason to believe an employee may be abusing his or her sick leave, the following steps will be initiated:
 - a. The supervisor or Department Head shall take the appropriate and necessary steps to identify the basis for the leave and attempt to resolve the problem without resorting to disciplinary action.
 - b. The City may call a labor management meeting among the employee suspected of abusing sick leave, the employee's supervisor, the employee's Union representative, and the City Administrator (or his/her designee), at which time a documented account of the employee's sick leave use will be presented to him or her.
 - c. The employee shall then have five (5) working days to research the information provided to him or her to substantiate and justify or not justify the excessive use of sick leave.
 - d. 4. Forms of and Procedure for Disciplinary Action. The degree of discipline administered must depend on the severity of the infraction and must be in accordance with any appropriate labor contracts, and if applicable, Civil Service Rules and Regulations. It is the responsibility of the supervisor to evaluate thoroughly the circumstances and facts as objectively as possible. The supervisor will then apply the most suitable form of discipline to the best of his/her knowledge and discretion.

There are several types of disciplinary action which may be applied to discourage detrimental behavior or actions.

a. Oral Warning

- 1) Talk to the employee in private.
- 2) This type of discipline should be applied for infractions of a relatively minor degree. Supervisors should at all times inform the employee that he/she is administering an oral warning and that the employee is being given an opportunity to correct the condition. If the condition is not corrected, the person will be subject to more severe disciplinary measures.
- 3) A notation that an oral warning was given should be made for the employee's personnel file.

b. Written Warning

- 1) This notice will be issued by the supervisor in the event the employee continues to disregard an oral warning, or if the infraction is severe enough to warrant a written record in the employee's personnel file.
- 2) The supervisor will set forth in the warning notice form the nature of the infraction in detail and will sign the notice. He/she will discuss the warning notice with his/her immediate supervisor, then with the employee, to be certain that the employee understands the reasons for the disciplinary action.
- 3) A copy of the warning notice is to be handed to the employee at the time of the discussion of the discipline. The original copy is to be placed in the employee's personnel file.

c. Suspension

- 1) This form of discipline is administered as a result of a severe infraction of rules, standards, or for excessive violations after the employee has received a written warning and has not shown satisfactory improvement in his/her performance. This is the most severe form of discipline given by a supervisor short of termination. It should be applied only after a thorough evaluation by the department head or his/her designated representative. The suspension may be with or without pay. The supervisor recommending such disciplinary action should discuss the suspension with his/her immediate supervisor.
- 2) Suspension may occur without written warnings if the incident is so severe as to jeopardize the health and safety of others or for a severe violation of statutes, laws, ordinances, or rules.
- 3) The supervisor shall set forth all facts leading to the reason for the disciplinary suspension, and the duration of the suspension on a disciplinary action form. He shall then inform the employee of the disciplinary action, making certain that the

employee is fully aware of the reasons for such action. The original copy of the disciplinary action form is to be placed in the employee's personnel file with a copy given to the employee.

- 4) When the employee returns from a period of disciplinary suspension, the supervisor should make certain that the employee gets back to the job with as little injury to his/her self-respect as possible.
- 5) The Mayor or his/her designee must approve all suspensions.

d. Discharge

- 1) Prior to a supervisor taking action on the discharge of an employee, the supervisor must discuss his/her recommendation for discharge with the Mayor or designated representative, to be certain that all facts have been reviewed and that there is thorough justification for the discharge action. The supervisor must be certain of all facts influencing his/her decision to discharge an employee, and should attempt at all times to be as objective as possible in the evaluation of the circumstances leading to the discharge.
- 2) If, in the opinion of the supervisor, the infraction is so severe as to necessitate immediate termination, the supervisor should take action by placing the employee on suspension until circumstances are reviewed with the Mayor or his/her designated representative prior to final discharge action.
- 3) The employee must be given an opportunity to meet with his/her supervisor, Department Head, City Administrator, or Mayor to give an explanation of the undesirable behavior or violation. The employee may be accompanied by a responsible person of his/her choosing to act as a representative or witness.
- 4) Discharge will be made only by the Mayor.

 - c. If within ten (10) calendar days, the grievance has not been settled, it shall then be submitted to the Mayor for his/her written response within (30) thirty calendar days of receipt.

 - e. The arbitrator shall be a member of the American Arbitration Association (AAA) or Federal Mediation Conciliation Service (FMCS) and shall be selected in accordance with the established procedures of the AAA or FMCS, depending on which agency is used. - no loser the costs shall be borne equally. Each party shall be responsible for its own expenses of representation. In the event there is a cost associated with the rental of a facility to conduct any arbitration proceedings the parties shall mutually agree to share such expenses equally. The arbitrator shall render his decision based on the interpretation and application of the agreement. The arbitrator's decision shall be final and binding.
- f. The arbitrator shall confine him/herself to the issue submitted for arbitration and shall have no authority to determine any other issue not so submitted to him or her. The arbitrator shall not have any authority to change or modify the provisions of this agreement, but shall be authorized only to interpret existing provisions of this agreement as they may apply to the specific facts of the issue in dispute. The arbitrator shall identify the loser (if there is one) in his or her decision.
3. Time Limits. The Employer and Union can, by mutual agreement, extend the time limits of any of the above steps.
