SUMMARY:	After several months of research, City staff has concluded that Axon body-cameras are essential equipment to improve police accountability, improve transparency and will allow the CPD to meet the State-wide 2021 Police Reforms. Therefore, a request to purchase body cameras and associated equipment is recommended.
-----------------	--

COUNCIL ACTION REQUESTED:	Authorize the expenditure and the signing of a contract to purchase 16 Axon body cameras, docking stations, software, and associated equipment to fully implement a body camera program in the CPD.
