<b>SUMMARY:</b>	Resolution E-900 authorized the Mayor to enter into a Solar Energy Services Consultant Agreement with Apollo Solutions Group (ASG). That agreement enabled ASG to complete an Investment Grade Energy Audit to identify costs and savings for a solar array project located at the existing Waste Water Treatment plant and to assist with grant applications. Two grants were awarded to the City for the project totaling \$ 349,258 for design and construction of a 100 KW solar panel system. Total project is estimated at \$ 378, 516.
