Prepared By: Allison Esvelt, MSCE, PE, BCEE, Principal, Esvelt Environmental Engineering, LLC

The purpose of this technical memorandum is to summarize and evaluate the bids for Motor Control Center Installation at the City of Cheney Wastewater Treatment and Reclamation Plant (WTRP). Bids were received on Wednesday, February 8, 2023, from the following Bidder:

- Power City Electric, Inc.

Table 1 below includes the summary of the bid.

Table 1. Summary of Bid	
	Power City Electric, Inc.
Schedule A - Base Bid Price	\$163,830.00
Schedule B - Storage of MCC FB1 and spare CB1 Section for 12 Months	\$3,000.00
Total	\$166,830.00
Plus Sales Tax (8.9%)	\$14,847.87
Total Bid Price	\$181,677.87

Table 2 below provides the summary of Bid completeness. The Bidder completed the Bid Form properly, submitted the Bid by the proper deadline, and provided all the required attachments to the Bid. It is therefore recommended that the contract be awarded to Power City Electric, Inc.

Table 2. Summary of Bid Completeness	
	Power City Electric, Inc.
Bid Form Complete and Addendums Acknowledged	✓
Bid Security	✓
Evidence of authority to do business in the state of the Project	✓
