Clean Green Disposal

The **last day** of our clean green pickup service will be on **October 31**. After October 31, any remaining material can be picked up on your normal garbage pickup day, but customers will be charged the “extra garbage” rate.

For your convenience, the yard waste bins at the Cheney Recycling Center, 100 Anderson Road, will remain open from dawn to dusk, seven days a week, through November 27 for that last load of leaves, pine needles, and other clean green materials.

For more information, please call (509) 498-9293.

Fair Housing Act

The Fair Housing Act ... what is it?

The Fair Housing Act protects people from discrimination when they are renting, buying, or securing financing for any housing. The prohibitions specifically cover discrimination because of race, color, national origin, religion, sex, disability, and the presence of children.

The Fair Housing Act covers most housing. In some circumstances, the Act exempts owner-occupied buildings with no more than four units, single-family housing sold or rented without the use of a broker, and housing operated by organizations and private clubs that limit occupancy to members.

For additional information on the Fair Housing Act, please see the Department of Justice Website at www.justice.gov/crt/fair-housing-act-2, or contact the Civil Rights Division of the DOJ at (202) 514-4609 (ET); or visit www.hud.gov and enter “fair housing” in the search.

The Fair Housing Act

It is unlawful to discriminate in the sale, rental, or financing of housing on the basis of one of the following protected classes:

- Race
- Color
- National Origin
- Religion
- Sex
- Disability
- Familial Status

EQUAL HOUSING OPPORTUNITY

The Future Land of Cheney Depends on You!

Cheney is a growing place. As Eastern Washington University continues to grow and more families want to make Cheney their home, the way our land is used continues to change.

Do you have ideas about Cheney’s land use? Would you like to see more park areas and places to take your children and to walk your dogs? Perhaps you feel there are too many apartment complexes ... or maybe not enough? You might want to keep our “small-town” feel but also improve some of the neighborhoods. Maybe extending our downtown area piques your interest.

On Monday, October 10, the City of Cheney’s Planning Commission will be looking at amendments to the Land Use Chapter of the Comprehensive Plan. Bring your ideas to the table on **October 10 at 6 pm**.

For more information, visit our website at www.cityofcheney.org/compplan, or stop by the City of Cheney Planning Department at 112 Anderson Road to view a paper copy.
