

Camp CASLO Counselor in Training (CIT) Volunteer Application

The goal of the Counselor-in-Training (CIT) program is to provide 14-17 year olds with the opportunity to be mentored by bright and charismatic staff to learn the leadership skills that are necessary for them to act as role models for children younger than themselves. CITs will be assigned to a specific group for the duration of the summer, and through hands-on experience, will have the opportunity to interact with counselors and instructors in the operation of the Cheney Parks & Recreation Department's Camp CASLO. CITs will have an extensive amount of direct information with program participants and as such should be friendly and approachable.
