City of Cheney - 609 Second Street, Cheney, WA 99004

Historic Preservation Commission Vacancy

Do you love local history? Appreciate old houses and architecture? The City of Cheney is seeking someone to fill a vacancy on the Cheney Historic Preservation Commission. The HPC is charged with identifying and encouraging conservation of the community's cultural resources, maintaining a local Register of Historic Places, and recommending properties for listing in the Washington Heritage Register and the National Register of Historic Places.

HPC members are appointed by the Mayor. The current opening is for 2019 through 2021.

Commission meetings are held on the first Thursday of even-numbered months at 5:15 p.m., and are open to the public.

Serving on a City of Cheney board or commission affords citizens the opportunity to participate in the citywide effort to address important issues, and is a great way to gain understanding of how local government functions.

If you might be interested, are a registered voter, and live within the city limits, please call the Mayor's Office at (509) 498-9200 to have an application form sent to you, or apply online and learn more at www.cityofcheney.org/211/Historic-Preservation-Commission.
