Language Access Plan of the *Partnering District & Municipal Courts of Eastern Washington*

I. PURPOSE

This LAP sets forth the *Partnering District & Municipal Courts of Eastern Washington* policy and procedures for the provision of timely language access services that ensure access for all limited English proficient (LEP), deaf, hard of hearing, and deaf-blind (D/HH/DB) individuals who come in contact with the Partnering District & Municipal Courts of Eastern Washington for services and programs. Language access services include both interpretation and translation services for LEP and D/HH/DB individuals.

II. COURT POLICY REGARDING LANGUAGE ACCESS SERVICES

Under Washington state law (RCW 2.42 and 2.43), Title VI of the Civil Rights Act of 1964 (Title VI), the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), the Americans with Disabilities Act (ADA), and the regulations implementing these federal laws, Washington courts are required to provide language access services to all LEP and D/HH/DB individuals in civil and criminal court proceedings and to develop a written language access plan pursuant to RCW 2.43.090.

It is the policy of the *Partnering District & Municipal Courts of Eastern Washington* to provide foreign language interpreter services at no cost to LEP parties, witnesses, and victims with an interest in all court proceedings, both civil and criminal, other than when it is the responsibility of other government bodies pursuant to state law. It is also the policy of this court to provide sign language interpreting services at no cost to persons who are D/HH/DB as required under applicable state and federal statutes and regulations.

The Partnering District & Municipal Courts of Eastern Washington will provide accessible information to LEP and D/HH/DB persons on how to request these language assistance services and vital documents as part of its notice to the public about its language access services.

Although D/HH/DB individuals are covered under the ADA and RCW 2.42 rather than Title VI and the Safe Streets Act, this plan covers language access services for both D/HH/DB and LEP individuals.

III. DATA COLLECTION AND NEEDS ASSESSMENT

The *designated language access office or person* for the *Partnering District & Municipal Courts of Eastern Washington* will, on an annual basis, compile demographic data regarding the language needs of its community. The court will initially review data from sources such as the following:

- Most recent and relevant U.S. Census and American Community Survey (ACS)
- Local school districts
- County health department
- Public Defender's Office/Office of Assigned Counsel
- Prosecuting Attorney's Office
- Local legal aid service providers and community-based organizations which focus their service provision on immigrant and refugee populations in order to identify possible immigration and new language trends.

The **Partnering District & Municipal Courts of Eastern Washington** will make every effort to track requests for language access services by:

- Language preference (both spoken, written, and signed)
- Case type (e.g. family law, criminal, housing, etc.)
- Proceeding (e.g. trial, arraignment, initial appearance, etc.)
- Location of service request (e.g. court hearing, ADR, clerk's office, etc.)
- Whether the language access service requested was granted or denied
- Reason for denial

In addition to mechanisms discussed under the identification of language needs section below, the **Partnering District & Municipal Courts of Eastern Washington** will track this internal data in a case management system where available, and/or case files if case management is not automated. On a yearly basis, the court will analyze the data collected to identify whether services requested are in fact provided, assist in the allocation of language access resources, and identify gaps in the provision of services to address future needs. The Courts that are not a part of the reimbursement program will seek assistance from the AOC Interpreter Coordinators Office for direction and assistance in tracking their data.

A. Identified Current Needs

The most current language need identification efforts undertaken by the **Partnering District & Municipal Courts of Eastern Washington** shows the following non-English languages, whether spoken or signed, that are most frequently used in our **geographic area**:

- Spanish
- Marshallese
- Russian
- Arabic
- ASL – American Sign Language

The **Partnering District & Municipal Courts of Eastern Washington** have identified the following additional less-frequently used non-English languages among court users in the area:

- Chuukese
- Nepali
- Vietnamese
- Swahili
- *Kirundi*

IV. LANGUAGE ASSISTANCE IDENTIFICATION AND RESOURCES

A. Designated Language Access Coordinators

Each **Partnering District & Municipal Courts of Eastern Washington** has designated a person, through employment or by contact, responsible for coordinating language access services and to whom requests for interpreters and other language access services may be

addressed **[see attachment A]**. The designated person for each court is available to:

- Develop lists of interpreters and secure interpreter services
- Receive and track language assistance requests;
- Address gaps in interpreter services by conducting outreach as needed;
- Provide information to assist LEP and D/HH/DB individuals to secure language access services;
- Assist or provide referrals to attorneys, justice partners, probation, EHM, doctors doing psychological evaluations, court staff, and other relevant persons to secure language access services for their clients and constituents;
- Answer questions from LEP and D/HH/DB individuals, and the public at large, regarding the court's available language access services, including the court's language access resources such as translated materials, interpreter roster, language identification cards, and other resources identified in this Plan.

LEP and D/HH/DB individuals, attorneys, justice partners, government agencies, and any other entities in need of language access services for court hearings or activities or to acquire such services or information for themselves or their clients, may contact the designee for each court. **[see attachment A]**

B. Identification of Language Access Needs and Notice of Availability

LEP and D/HH/DB, individuals may come in contact with court personnel via the phone, TTY / TDD, in-person, or through other means. In addition, there are various points of contact within the **Partnering District & Municipal Courts of Eastern Washington** where LEP individuals or persons who are D/HH/DB will be in contact with court staff. Sometimes people who need language access services, including translated documents, will not request these services because they do not realize that such services are available at no charge, or because they do not recognize the level of English-language proficiency or communication ability needed to effectively participate in the court program, court proceeding, or court services. The first step in providing language access services is to enable LEP individuals or persons who are D/HH/DB to properly identify their language needs.

As a first step towards ensuring that LEP and D/HH/DB individuals are able to properly identify their language needs and to request language access and assistance services, the **Partnering District & Municipal Courts of Eastern Washington** have a legal obligation to provide accessible notice to the public of an individual's right to spoken and sign language interpreter services and may provide documents, if available, in translated form to access court proceedings.

1. Identifying Language Needs at Points of Access

The **Partnering District & Municipal Courts of Eastern Washington** will identify language access needs at the listed points of contact with the court, such as the following:

- Telephone calls to court staff
- Clerks' offices front counters
- Jury offices

- Courtroom(s)
- Probation offices
- Other [*video hearings*]

To ensure the earliest possible identification of the need for language access services, the **Partnering District & Municipal Courts of Eastern Washington** have established internal protocols with the various justice partners which routinely interact with our courts in order for these partners to communicate to the appropriate court staff the needs of LEP or D/HH/DB participants who will be coming into contact with the court. While justice partners themselves may be under a separate legal obligation to provide language access services to their clients, the court will be notified of any services that fall under the responsibility of the court as early as possible so services may be provided in a timely and efficient manner. Examples of justice partners to be notified include:

- LEP or D/HH/DB person notifies the Court of their needs
- Law enforcement officer (via citation)
- Correctional facilities personnel
- Attorney/public defender for LEP or D/HH/DB person
- Domestic violence victim's advocate
- Judges, court personnel
- Interviewer for public defender eligibility
- Customer service personnel receiving request via phone or in person

2. Notice of the Availability of Language Access Services

In order to facilitate the ability of LEP and D/HH/DB individuals to request their need for language access services, the **Partnering District & Municipal Courts of Eastern Washington** shall provide notice of the availability of language access services translated into Washington State's most frequently used languages that states:

"You have the right to language access services at no cost to you. To request these services, please contact any member of the court for assistance".

The **Partnering District & Municipal Courts of Eastern Washington** display this notice on their websites [*see attachment B*] and at the following locations: our court lobbies, and/or courtrooms.

Additionally, the **Partnering District & Municipal Courts of Eastern Washington** have the following resources available at its points of contact, including those listed above when appropriate, to help LEP and D/HH/DB and court staff communicate with each other:

- Language identification "I Speak" cards at appropriate contact points
- Multi-lingual notices at all appropriate points of contact notifying members of the public of their right to request an interpreter or other language assistance at any point during their contact with the court.
- TTY for D/HH court customers

When it appears that an individual has difficulty communicating due to a language barrier, the **Partnering District & Municipal Courts of Eastern Washington** staff will inform the LEP or D/HH/DB person of his or her right to have language access services provided by the courts, even if the LEP or D/HH/DB person has not made a request for the language access services.

V. LANGUAGE ACCESS SERVICES

Once the **Partnering District & Municipal Courts of Eastern Washington** staff has determined interpreter services are required for an LEP or D/HH/DB individual, court staff have access to the following procedures for securing an interpreter. The general procedure for the **Partnering District & Municipal Courts of Eastern Washington** are as follows:

- Notification is sent to the Interpreter Coordinator
- Interpreter Coordinator makes the necessary arrangements to secure a certified or registered (when available) interpreter as requested
- Some courts use an online scheduling system (1Lingua), while others use a more traditional way of contacting Interpreters for requested services (phone call, email, text message)
- When the interpreter is confirmed, the court is notified

A. Language Access Services Inside the Court Room

1. Appointment of a Certified, Registered, or Qualified Interpreter for In Court Proceedings

The person responsible for appointing or securing the assistance of an interpreter at the **Partnering District & Municipal Courts of Eastern Washington** will comply with the following order of preference in appointing an interpreter or when contracting for interpreter services as required in RCW 2.43.030.

RCW 2.43.030(1) (b)

An in-person Certified or Registered interpreter who has been credentialed by the Administrative Office of the Courts shall be appointed, whenever possible, unless good cause is found and noted by the appointing authority. "Good cause" includes, but is not limited to, a determination that:

- (i) Given the totality of the circumstances, including the nature of the proceeding and the potential penalty or consequences involved, the services of an in-person credentialed interpreter are not reasonably available to the appointing authority; or
- (ii) The current list of credentialed interpreters maintained by the Administrative Office of the Courts does not include an interpreter in the language spoken by the LEP.

RCW 2.43.030(2)

If good cause is found for using an interpreter who is not credentialed by the Administrative Office of the Court, the appointing authority shall make a preliminary determination that the proposed interpreter is able to interpret accurately all

communications to and from such person in that particular proceeding. The appointing authority shall satisfy itself on the record that the proposed interpreter:

- (a) Is capable of communicating effectively with the court or agency and the person for who the interpreter would interpret; and
- (b) Has read, understands, and will abide by the code of ethics for language interpreters established by court rules.

In-person interpreter may be present via video with audio appearance when permitted by the court. In the event no in-person interpreter is available locally, the court or designated authority will weigh the need for moving forward with the proceeding against any possible negative consequences to the LEP or D/HH/DB person's ability to effectively participate in the proceedings through the use of a remote interpreter, as may be allowed by Washington court rule or law. When a trial or motion, including witnesses and/or other evidentiary matters are before the court, the court shall reschedule the hearing until an in-person interpreter is available, whether located in-state or out-of-state, and be made present at the hearing.

Partnering District & Municipal Courts of Eastern Washington will NOT appoint as interpreters anyone with a potential conflict of interest in the case, including the following: minors; friends and family of the LEP or D/HH/DB person; advocates and attorneys; justice partner bilingual staff; or anyone deemed unqualified after voir dire by the court. [As required by the Code of Conduct for Court Interpreters. GR11.2(d)]

2. Practices in the Appointment and Use of Interpreters

In appointing interpreters or when contracting for interpreter services, staff at the ***Partnering District & Municipal Courts of Eastern Washington***, will ensure that the interpreter and the LEP or D/HH/DB participant can effectively communicate. It is also the practice of ***Partnering District & Municipal Courts of Eastern Washington*** to:

- Make a determination of the appropriate number of interpreters that may be required for the proceeding. When the proper administration of justice so requires the court will appoint multiple or separate interpreters.
- For long hearing sessions or trials, appoint a team of two interpreters or if no second interpreter is available, allow the interpreter to have frequent breaks to avoid interpreting fatigue, ensure accuracy, and avoid subsequent errors.
- Only allow an LEP or D/HH/DB person to waive his or her right to the assistance of an interpreter if the waiver is knowing, voluntary, and on the record. The waiver of an interpreter may be rejected by the court or later revoked by the person.
- Require interpreters to provide sight translations for documents related to the court proceedings.
- Prohibit interpreters from assisting LEP or D/HH/DB with entering information on court forms without the involvement of court staff in the completion of such forms.
- Provide sign language interpreters for jurors who are D/HH/DB when such persons are called and selected for jury service

3. Calendaring and Scheduling of Interpreters for In-court and Out-of-court Contacts

Partnering District & Municipal Courts of Eastern Washington will provide interpreter services in a timely manner. In order to provide high quality language access services in an efficient manner, **Partnering District & Municipal Courts of Eastern Washington** may employ the following practices:

- Batching of matters for which an interpreter for a specific language is needed so long as this does not cause unnecessary delays in access and loss of remedies available to litigants, such as mitigation hearings in frequently requested languages
- Coordinating calendars so an interpreter may be available for several matters in the same court location on the same day
- Coordinating the use of interpreters so that when an interpreter is not busy in a courtroom proceeding he or she may be available in person or telephonically to assist in other court-managed services

4. Remote Interpreting

For short non-evidentiary hearings, or for other hearing types when virtual court proceedings are determined necessary by the court, the **Partnering District & Municipal Courts of Eastern Washington** use the following remote interpreting technologies. Virtual court proceedings are video remote hearings using online video conferencing system technologies authorized by the Administrative Office of the Courts included but not limited to Zoom, Cisco WebEx, Skype, Microsoft Skype, Microsoft Teams or GoToMeeting.

- Video-remote interpreting (VRI)
- Telephonic interpreting
- Telephonic interpreting agencies

The policy or practice of the court with regard to the use of remote interpreting services is as follows:

- Video remote and telephonic interpreting use will be consistent with GR 11.3 with preference given to in-person interpreters.
- Video remote and telephonic interpreting may be used at other times as determined necessary and in the interest of justice by the court.
- Telephonic interpreting will be a last resort for courtroom proceedings, and reserved for non-evidentiary proceedings given that non-verbal cues – not visible when on the telephone – are critical for communication.
- Video remote interpreting (VRI) will be used appropriately and will meet the requirements for providing effective communication, including,
 - Real-time, full-motion video and audio;
 - A clear, large image;
 - A clear transmission of voices;

- Adequate training of staff in utilizing the equipment; and
- Use of properly trained interpreters

The court requires training for staff, contracted interpreters, and appointing authorities on VRI, virtual court systems, and telephonic interpreting, how to use the technologies, how to best utilize the remote interpreter, and what are appropriate events for such types of remote interpreting service. VRI and virtual court systems shall not be the only options available to the court and should be used when in-person interpretation services are not available or under circumstances determined necessary by the court.

B. Language Services Outside the Courtroom

The ***Partnering District & Municipal Courts of Eastern Washington*** are responsible for taking reasonable steps to ensure that LEP and D/HH/DB impaired individuals have meaningful access to services outside the courtroom. It is the practice of the court to provide interpreters for court services and operations consistent with state and federal language access mandates. In compliance with such mandates, the court may provide language access services at:

- Clerks' offices front counters
- Probation offices
- Court ordered programs for D/HH/DB pursuant to RCW 2.42.120(3)
- Virtual systems

The court, in compliance with federal and state civil rights laws and regulations, shall provide the most appropriate language access service for these programs and services, including qualified interpreters, bilingual staff, translated materials and information. When the most appropriate language access service is the appointment of a qualified interpreter, the court shall follow the guidelines described for the appointment of interpreters.

As noted in the policy interpretation section earlier, RCW 2.42 requires that courts provide interpreters for persons who are D/HH/DB when they are required to attend court programs or services. In addition to the provision of qualified interpreters in all proceedings where required, court's bilingual staff may assist with language needs outside of court proceedings. Bilingual staff shall be trained to understand their role, how it differs from the role of an interpreter, and that staff are only used for basic communications.

C. Translated Forms and Documents

The ***Partnering District & Municipal Courts of Eastern Washington*** understand the importance of translating forms, documents, and electronic materials into non-English languages, so that LEP individuals have greater access to the courts' services. Judicial and court staff shall not use web-based applications or software to process or provide translations for LEP individuals.

State forms which have been translated are available at www.courts.wa.gov/forms.

Additional informational resources translated into Spanish include:

D. Providing Emergency Information to LEP Court Customers

The ***Partnering District & Municipal Courts of Eastern Washington*** are responsible for taking reasonable steps to ensure that LEP and D/HH/DB individuals have meaningful access to emergency information should an emergency situation arise. The court provides such information in the following ways:

- There are universally understood emergency signs located in the strategic places throughout the courthouse building
- Emergency exits are clearly marked
- Evacuation map(s) are located in visible public area points

VI. TRAINING

The ***Partnering District & Municipal Courts of Eastern Washington*** are committed to providing training for judicial and court staff members who come in contact with LEP and D/HH/DB individuals in order to ensure the successful delivery of language access services. The court will provide staff training on all requirements in this Language Access Plan. Additional training opportunities may include:

- Proper appointment and scheduling of interpreters for court proceedings
- How to voir dire a non-credentialed court interpreter
- Role of an interpreter, modes of interpreting, and Code of Professional Responsibility for Judiciary Interpreters
- Courtroom management when interpreters work in a courtroom
- Use of remote technologies for interpreting

Partnering District & Municipal Courts of Eastern Washington request the *Interpreter Commission* develop webinars for court administrators/court interpreter coordinators on best practices of working with and appointing court interpreters.

Resources and information regarding language access services, policies and procedures and tools for providing language assistance (such as bench cards, language identification guides, brochures, etc.) are available to all court staff and decision makers via:

- The court's intranet
- The court's Language Access Coordinator/Interpreter Coordinator [see *attachment A*]

VII. COMPLAINT PROCESS FOR NON-COMPLIANCE

Complaints Against Local Court

This specific complaint process is designed to bring to the attention of the local court, and if necessary, the Interpreter Commission, allegations filed by LEP or D/HH/DB parties that the local court is out of compliance with the its own Language Access Plan, any applicable federal statutes or regulations, state statutory provisions, such as RCW 2.42 or 2.43 and/or any applicable state or local court rules. This is an informal process whereby the Interpreter Commission may be involved in providing consultation and guidance to LEP parties and local courts in resolving and removing barriers to language access services and resources. LEP and D/HH/DB individuals are encouraged to first file a complaint with the local court using local court customer complaint filing procedures. The local court complaint rules are as follows:

A. Local Court Complaint Process

1. The complaint is submitted to the administrator or interpreter coordinator in person or in writing in LEP person's language for consideration in accordance with local court-complaint process
2. The complaint is forwarded to the court administrator for review and decision on whether the court administrator acts on the court's level, in consultation with the presiding judge, or submits it to the Court Interpreter Commission for further action
3. The Court will respond to the complaint in writing

B. Complaint Filed with the Court Interpreter Commission

1. Except in extraordinary circumstances, the complaint must be filed with the Interpreter Commission by an aggrieved party within 60 days from the date of the events on which the complaint is based.

Within 3 business days of the receipt of the complaint against a local court, Commission staff will inform complainant, using the contact information provided by complainant, of their option to file their complaint with the Department of Justice and of the need to file such complaint within 180 days from the date of the alleged discrimination.

2. Complaints filed with the Court or the AOC must be in writing and must be signed. The complaint must include the following information:
 - a. A clear and brief description of the complaint and any evidence upon which the allegation is based, with relevant supporting documentation. The description and supporting evidence should include relevant facts that support the complaint that the court did not provide language access services;
 - b. If possible, the complaint should identify the section(s) of the court's plan, statutes or regulations alleged to have been violated and the time frame in which the lack of

compliance is alleged to have occurred;

c. Disclosure of any other channels the complainant is pursuing, including legal action (optional); and

d. A statement authorizing the Interpreter Commission to send a copy of the complaint to the court that is the subject of the complaint.

Complaints filed with the Interpreter Commission should be sent to:

3. Interpreter Commission Complaint Review

- a. The Interpreter Commission shall determine whether the complaint alleges facts that raise issues relating to the court's compliance with its LAP, federal civil rights laws, RCW 2.42 and/or 2.43 or court rules. This determination shall be made within 10 business days of receiving the complaint. The Interpreter Commission may request additional information from the complainant if appropriate. If the Interpreter Commission concludes that the complaint does not raise issues relating compliance with the LAP, Title VI of the Civil Rights Act, RCW 2.42 and/or 2.43, the matter will be closed and the complainant will be notified of the decision.
- b. If the Interpreter Commission determines that the complaint may raise possible compliance issues, the complaint shall be sent to the court and a response requested. The Interpreter Commission ordinarily will request the presiding judge of the court or their designee to respond within 30 days.
- c. If the response from the court establishes that the court is not out of compliance with respect to the matters raised in the complaint, the Interpreter Commission will close the matter.

If the court's response does not clearly establish that it is operating in compliance with the matters raised by the complaint, the Interpreter Commission may appoint a fact-finder to investigate the issues raised by the complaint and to report on the court's response, if necessary. The complaint, the court's response, and fact-finder's report, if any, shall be referred to the WA Supreme Court Interpreter Commission for any further action deemed necessary by the Commission.

- d. The person making the complaint will be notified promptly regarding the conclusion of the Commission's review.

III. PUBLIC NOTIFICATION AND EVALUATION OF LAP

A. LAP Approval & Notification

The **Partnering District & Municipal Courts of Eastern Washington** LAP has been approved by the *Court Administrator*, and a copy has been forwarded to Washington State's Administrative Office of the Courts Interpreter Program Coordinator. Any revisions to the Plan are to be submitted to the *Court Administrator/Court Interpreter Coordinator* for approval, and then forwarded to the Interpreter Program Coordinator. In addition, the court shall post its LAP on its own website at: *[see attachment B for all courts website links]*

B. Outreach and Communication of Plan

The **Partnering District & Municipal Courts of Eastern Washington** shall inform the public of the existence of the LAP and to this end, the court will:

- Post the LAP on court websites

C. Annual Evaluation of the LAP

The **Partnering District & Municipal Courts of Eastern Washington** will conduct an annual needs assessment to determine whether changes to the LAP are needed.

This assessment will be done by reviewing various areas in which the courts provide language access services, taking into consideration, at a minimum, the number of interpreters requested by language in the courts and the identification of emerging changes in the languages spoken or signed within the court's local population as identified by any informational means or by other methods. Elements of the assessment evaluation shall include:

- Number of LEP or D/HH/DB persons requesting court interpreters
- Assessment of current language needs to determine if additional services or translated materials should be provided
- Assessing whether staff members adequately understand LAP policies and procedures and how to carry them out
- Identification of challenges or trends the courts are experiencing with providing language access services

Any revisions made to the Plan will be communicated to all court personnel, and an updated version of the plan will be posted on the court's website. In addition, the **Partnering District & Municipal Courts of Eastern Washington** will submit to the AOC a copy of any updated information contained in this LAP within 60 days of its approval.

D. Ideas for Future Improvements in Language Access

Partnering District & Municipal Courts of Eastern Washington will review the results of its annual needs assessment and conduct the following activities:

- Identify any challenges or trends the courts are experiencing with providing language access services, sourcing of interpreters, document translation tasks, and website information that is accessible to LEP and D/HH/DB individuals.
- Engage in collaborative efforts with other courts to improve and coordinate interpreter scheduling where interpreter resources are shared.
- Identify and implement changes or improvements identified by the courts to improve language access services that are within the scope of this LAP
