Applicant agrees to perform all work in strict compliance with all provisions of City of Cheney Municipal Code and Engineering Design Standards, the current versions of the Spokane Regional Pavement Cut Policy and WSDOT Standard Specifications for Road, Bridge, and Municipal Construction, and shall conform to all Federal, State, and local laws and obtain any other necessary permits. The City of Cheney and any officer or employee thereof shall be saved harmless by the applicant from any liability of responsibility for any accident, loss or damage to persons or property, happening or occurring as the proximate result of any of the work undertaken under the terms of this application and the permit or permits which may be granted in response thereto, and any of said liabilities are hereby assumed by the applicant. The applicant shall warranty the backfill, street surfacing, or other improvements affected by the permit for a period no less than two (2) years, *OR* as required by the Spokane Regional Pavement Cut Policy, from the date of final inspection by the City of Cheney. It is further agreed that if any part of this installation interferes with future use of the city right of way it shall be removed or relocated at the expense of the applicant or his successor in interest. Traffic control signing and barricades shall be furnished by the applicant in strict conformance with the "Manual on Uniform Traffic Control Devices" and there shall be no road closures without prior approval from the City of Cheney. 24 hour notice shall be given to any adjacent property owners and, where work may disrupt street parking, 72 hour notice shall be posted restricting parking prior to beginning work.

I have read the above and agree to all terms and conditions stated herein.
