

Pre-Development Application

for Major Projects

We want to provide the best information possible to help you plan for your major development project. Please fill out this Predevelopment Application as completely as possible, and submit to the Building Department, 112 Anderson Road, Cheney, Washington 99004, accompanied by 7 copies of a site plan. City staff will review your proposal and prepare detailed comments based on the preliminary information you provide. Predevelopment Conferences are scheduled for Thursday afternoons, giving you an opportunity to discuss your project with representatives from Building, Planning, Public Works, Fire and other applicable City departments.
