THIS AGREEMENT, made and entered into by and between the CITY OF CHENEY, hereinafter referred to as the "CITY", SPOKANE COUNTY SHERIFF, hereinafter referred to as the "SHERIFF", and the COUNTY OF SPOKANE, hereinafter referred to as the "COUNTY". This Agreement supersedes any prior Agreements entered into between the parties herein with regard to the terms and provisions set forth below.

The COUNTY, SHERIFF and CITY agree as follows:

SECTION NO. 1: RECITALS AND FINDINGS

- (a.) The Board of County Commissioners of Spokane County has the care of County property and the management of County funds and business under RCW 36.32.120(6);
- (b.) Counties and cities may contract with each other to perform certain functions which each may legally perform under chapter 39.34 RCW (Interlocal Cooperation Act);
- (c.) Pursuant to the provisions of chapter 70.48 RCW, Spokane County operates two detention facilities for holding and detaining individuals arrested, charged or serving terms for the commission of certain criminal offenses, said facilities are located at 1100 West Mallon Avenue, Spokane, Washington and 3507 South Spotted Road, Spokane, Washington;
- (d.) Pursuant to the provisions of RCW 70.48.090, contracts may be entered into between counties and cities for jail services;
- (e.) The City of Cheney desires to utilize the services of Spokane County and Spokane County Sheriff for the purpose of housing its prisoners;
- (f.) The SHERIFF is responsible for the actual operation and maintenance of each detention facility and shall have charge of all persons confined therein; and
- (g.) The Parties will work together to provide cost-effective detention services and pursue programs that will provide the safest, most efficient, and most economical services to the citizens, detainees, and employees.

SECTION NO. 2: DEFINITIONS

- (a.) Agreement: "Agreement" means this Interlocal Agreement between the CITY and COUNTY regarding the detention of City prisoners.
- (b.) Uncontrollable Circumstances: "Uncontrollable Circumstances" means the following events: riots, wars, civil disturbances, insurrections, acts of terrorism, external fires and floods, volcanic eruptions, or earthquakes at or near where the Services are performed and/or that directly affect providing of such Services.
- (c.) Detention Services: Refers to the department within the Sheriff's Office charged with overseeing the incarceration of adult offenders.

11-0623

- (d.) Detention Facility: Refers to either the downtown facility located at 1100 West Mallon Avenue, Spokane Washington and the adult detention building including the third floor of the County-City Public Safety Building located at 1100 West Mallon Avenue, Spokane Washington and/or the Geiger Corrections facility located at 3507 South Spotted Road, Spokane, Washington, or other corrections facilities that may be agreed to in writing by the Parties.
- (e.) Booking: "Booking" means the completion of the process of entering all associated information into the Offender Management System in the creation or completion of a period of detention.
- (f.) City Prisoner: "CITY prisoner" means a person housed in a detention facility when a CITY charge is the principal basis for booking the person as set forth in Section 6 (f) of this Agreement
- (g.) Prisoner day: The term "prisoner day" cost, for purposes of this Agreement, shall include all costs connected with the maintenance, care and custody, and health of the inmate, including medical, dental, meals, housing, clothing, insurance, administration, rent, personal services for detention facility personnel, supplies, kitchen services, debt service, and any other related services, including indirect costs, charges, capital reserve, capital outlay, reasonable and prudent fund balance, for the detention and corrections of said inmates pro-rated on a daily basis per City Prisoner.
- (h.) Detention and Corrections Services: Refers to providing services to the prisoner including: care and custody; medical, dental, meals, housing, clothing, and appropriate inmate programming such as work release, electronic home monitoring, in-custody work programs, educational programs, drug and alcohol counseling, and cognitive therapy.

SECTION 3: PURPOSE

The purpose of this Agreement is to reduce to writing the Parties' understanding as to the terms and conditions under which the COUNTY and SHERIFF will provide detention and corrections services on behalf of the CITY.

SECTION 4: TERM

This Agreement shall be in force for three years beginning January 1, 2010. It shall be extended automatically for additional one-year periods on the anniversary date unless one of the Parties provides notice of termination under the notice provisions of this Agreement. Except as otherwise provided, all extensions shall be subject to all terms and conditions of this Agreement. If a Party desires to terminate the relationship created by this Agreement, it must provide not less than 180 days written notice to the other PARTIES and to the Washington State Office of Financial Management. The notice shall state the grounds for termination and the specific plans for accommodating the affected inmate population. The Parties recognize that the 180 day notice for termination required herein exceeds the minimum 90 days notice stated in RCW 70.48.090

SECTION 5: SERVICES TO BE PROVIDED BY COUNTY

The COUNTY will provide detention and corrections services to City Prisoners equal to those provided to COUNTY inmates including medical, pharmacy, mental health and dental treatment for all prisoners within the detention facilities operated by the SHERIFF. The COUNTY will also make available and provide transport for City prisoners at any County Detention Facility to be present at any and all City Court hearings at the present Spokane County District Court location in the Spokane County Courthouse Annex or any other location within the Spokane County Courthouse Campus during regular business hours of 8:30AM – 5:00PM Monday through Friday excluding weekends and official court holidays unless otherwise agreed by the parties by separate written

11-0623

Agreement. The terminology "Spokane County Courthouse Campus" shall mean only the Spokane County Courthouse, Spokane County Public Safety Building and Broadway Center Building or Spokane County Jail. Such routine costs are included in the prisoner day charge.

If an emergency exists or the inmate population becomes too large to be handled, any or all of the CITY prisoners may be released, transferred or temporarily held at another appropriate facility pursuant to applicable policies and state and local laws and regulations. Additionally, the CITY realizes that there may be occasions when certain CITY prisoners may not be accepted due to emergent conditions or as further set forth under the criteria in General Orders of the courts and the Detention Services Policy Section VI "Emergency Procedures", which is a document maintained separate from this Agreement. The COUNTY will notify the CITY as soon as practical within the first 24 hours of any changes to normal operations.

Consistent with the terms contained herein, COUNTY shall accept all CITY inmates presented for incarceration. This right is contrasted with the Federal government's contractual right for housing of Federal inmates so long as COUNTY has adequate bed space, and so long as housing of Federal inmates does not increase COUNTY'S personnel costs for corrections officers.

- (a.) Delivery and Notification: The CITY shall be responsible for the delivery of CITY prisoners to the custody of the SHERIFF at a detention facility designated by the SHERIFF. No person who appears to be sick or injured will be booked at a detention facility until he/she has received proper medical attention.
- (b.) Detention Services Operation: The SHERIFF is responsible for the actual operation and maintenance of each detention facility and shall have charge of all persons confined therein.

SECTION 6: RATES FOR SERVICES

- (a.) The CITY shall pay the COUNTY for the incarceration costs of CITY prisoners as follows:
 - (i.) The PARTIES agree Spokane County Detention Services needs to establish fund balance. The previously established "cash reserve" from Geiger Fund 415 will be transferred to the fund balance of the new Detention Services Fund 515. Fund balance of \$650,000 will be included in the budgeted and actual costs for the 2010 year and up to \$800,000 each subsequent year until the reserve reaches two months of budgeted expenses. This reserve threshold will be maintained throughout the life of the Agreement. Should the Agreement be terminated, the COUNTY will refund the CITY the amount contributed toward fund balance from what was transferred from the Geiger fund 415, as well as the Detention Services Fund 515. The amount contributed to the operating reserve by the CITY is a liability for the COUNTY. The COUNTY will provide annual statements documenting the cumulative total of the CITY's contribution to the operating reserve.
 - (ii.) User's Estimated annual costs will be computed as follows:
 - a. Taking the budgeted expenses and the provision of fund balance for the year less budgeted revenue (See Attachment A, entitled "2011 Spokane County Sheriff's Department Detention Services") from housing federal inmates, state inmates (not mandated by law), work crew program, and other Detention Service activities, to arrive at the budgeted net cost;
 - b. Taking the total Average Daily Population (ADP) of inmates for the year two years prior to the contract year and subtracting the ADP for federal and/or state prisoners to arrive at the estimated net ADP;
 - c. Dividing the City's ADP by the net ADP to determine the City's ADP percentage;

11-0623

- d. Multiplying the budgeted net cost by each Party's ADP percentage to arrive at the estimated annual cost to each Party.
- (iii.) Each Party's estimated annual costs will be divided by twelve and the Party will be billed monthly by the County.
- (iv.) At the end of the calendar year, using the methodology set forth in Section 6.a.ii the PARTIES shall apply the actual expenditures, revenues and the actual ADP percentage from the contract year to determine the final cost. It is the PARTIES intent that any adjustments take place as soon as possible but no later than August 31 of the following year. The actual cost calculation shall be accompanied by the actual expense and revenue reports and the actual ADP for all users. The CITY will have sixty (60) calendar days from its receipt of the expenditure documentation to provide the COUNTY with any written objections(s) to such documentation. The written objection(s) must specifically identify the matter in question. The COUNTY agrees to consider all written objections received from the CITY within thirty (30) calendar days of receipt of the objections(s). In the event that the PARTIES cannot mutually resolve any written objection(s) submitted by the CITY within the thirty (30) calendar days time frame, or such other time frame as the PARTIES may mutually agree, the objections shall be resolved pursuant to the Dispute Resolution provisions set forth in Section No. 12. To the extent that the CITY was over billed in any year and the Agreement is still in effect, the COUNTY shall credit the CITY for such overpayment in the next monthly payment owing by the CITY. Provided, however, in the event the Agreement is terminated at such time that the overpayment is determined, the COUNTY shall reimburse the CITY for any overpayment within thirty (30) calendar days. To the extent that the CITY was under billed in any year and the Agreement is still in effect, the CITY shall reimburse the COUNTY for any under payment in the next monthly payment owing by the CITY. Provided, however, in the event the Agreement is terminated at such time that the underpayment is determined, the CITY shall reimburse the COUNTY for any underpayment within thirty (30) calendar days. Either Party may at its sole option charge interest on any overpayment or underpayment based on lost interest earning had the amount determined due been invested in the respective Party's investment pool at the end of the thirty (30) day time frame provided for hereinabove to the date of payment. Any resolution of a disputed amount through use of the arbitration process identified in Section 12 shall include at the request of either Party, a determination of whether interest is appropriate, including the amount.
- (v.) In the event there is a disagreement on any of the expenses, the amount billed under parts 2 through 4 within this section will be paid while the issue is resolved.
- (b.) Medical Costs: The CITY shall pay for any and all medical costs incurred by a person who is in need of medical services at the time of his/her arrest by a CITY officer, and prior to his/her being booked into a detention facility. Upon Booking, medical expenses are included in the "users estimated annual costs," see section 6(a)(ii). This provision is not intended to create any third party beneficiary rights. The COUNTY, in instances where a medical service provider improperly bills the COUNTY for such medical services, will forward the billing(s) to the CITY for payment.
- (c.) The Monthly prisoner day costs shall be that amount established for the ensuing calendar year by the COUNTY effective January 1 of any contract year for the care and custody of CITY prisoners. The COUNTY shall notify the CITY by memorandum letter of the estimated monthly costs no later than October 1st of the preceding year when the costs will take effect. The memorandum shall be accompanied by the supporting budget information and the ADP totals used to calculate the monthly costs.
- (d.) The CITY will make payments within 30 days of the day in which it receives the invoice.

11-0623

- (e.) As part of the monthly billing the COUNTY shall detail the number of CITY prisoner days for which the CITY was responsible the previous month. The Parties shall mutually agree on the format of the billing statement, to include billing codes. The COUNTY will provide to CITY a year-to-date total of prisoner days with each invoice, including corrections made for previous months. The COUNTY will provide notification accompanied with agreed upon billing information for any changes to the CITY prisoner days. The CITY will notify the COUNTY of any discrepancies contained in the monthly billing support within 45 days.
- (f.) The CITY shall be responsible for the incarceration costs when a CITY charge is the principal basis for booking a person where one or more of the following applies, whether pre-trial or post-trial:
- (i.) The person is booked for violation of a CITY ordinance; or
 - (ii.) The person is booked for violation of any other misdemeanor or gross misdemeanor committed within the CITY, or
 - (iii.) The person is booked for a warrant relating to (i) and (ii) above.

A CITY charge is not the principal basis for confining a person where:

- (i.) The person is booked exclusively or in combination with other charges by reason of a felony charge (including 72-hour hold). Provided, after the felony charge is released, the CITY shall be responsible for incarceration costs as they relate to pending CITY charges; or
- (ii.) The person is booked exclusively or in combination with other charges by reason of a felony charge that has been reduced to a misdemeanor or gross misdemeanor; or
- (iii.) The person is a federal prisoner who can be removed by a federal agency without regard to the CITY charges. Provided, this provision does not apply when the federal booking is an administrative hold pending release of CITY charges.

On multiple charges, it is the intent of the Parties, that the CITY shall pay only those incarceration costs directly attributable to the booking and detention of misdemeanor or gross misdemeanor charges originating from the CITY'S jurisdiction. By way of example, prisoners held or processed on multiple charges shall be billed as follows:

- (i.) Prisoner held or processed on both felony and CITY misdemeanor or gross misdemeanor charges.
 - a. Concurrent bookings/detention. No charge, the more serious felony offense will control.
 - b. Consecutive bookings/detention. Upon release of the felony offense the billing for CITY charges will commence.
- (ii.) CITY misdemeanors or gross misdemeanor charges and COUNTY or another City's misdemeanors or gross misdemeanor charges.
 - a. Concurrent bookings/detention. Arresting agency will be initially billed when charges are at same level. Thereafter, costs will be divided between the jurisdictions.

11-0623

- b. The CITY will be billed if during transport for another City/County in transit booking, a CITY charge(s) is found and causes the individual to be booked and removed from in transit until released on CITY charge(s).
- c. For offenders with concurrent charges for multiple jurisdictions in which the above criteria cannot be used to determine the COUNTY/CITY, the COUNTY will bill the COUNTY/CITY delivering the offender to the detention facility until the COUNTY/CITY charges are resolved. The financial responsibility will then pass to the next highest COUNTY/CITY charge.

SECTION NO. 7: LIABILITY AND INSURANCE

For the purpose of this Section, the terminology "COUNTY" shall also include the "SHERIFF."

- (a) The COUNTY shall indemnify and hold harmless the CITY and its officers, agents, and employees, from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by any reason of or arising out of any wrongful act or omission of the COUNTY, its officers, agents and employees, relating to or arising out of performing Services pursuant to this Agreement. In the event that any suit based upon such claim, action, loss, or damages is brought against the CITY, the COUNTY shall defend the same at its sole cost and expense; provided that the CITY reserves the right to participate in said suit if any principle of governmental or public law is involved; and if final judgment in said suit be rendered against the CITY, and its officers, agents, and employees, or jointly against the CITY and the COUNTY and their respective officers, agents, and employees, the COUNTY shall satisfy the same.
- (b) The CITY shall indemnify and hold harmless the COUNTY and its officers, agents, and employees, from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by any reason of or arising out of any wrongful act or omission of the CITY, its officers, agents and employees, relating to or arising out of performing Services pursuant to this Agreement. In the event that any suit based upon such claim, action, loss, or damages is brought against the COUNTY, the CITY shall defend the same at its sole cost and expense; provided that the COUNTY reserves the right to participate in said suit if any principle of governmental or public law is involved; and if final judgment in said suit be rendered against the COUNTY, and its officers, agents, and employees, or jointly against the COUNTY and the CITY and their respective officers, agents, and employees, the CITY shall satisfy the same.
- (c) If the comparative negligence of the PARTIES and their officers and employees is a cause of such damage or injury, the liability, loss, cost, or expense shall be shared between the PARTIES in proportion to their relative degree of negligence and the right of indemnity shall apply to such proportion.
- (d) Where an officer or employee of a Party is acting under the direction and control of the other Party, the Party directing and controlling the officer or employee in the activity and/or omission giving rise to liability shall accept all liability for the other Party's officer or employee's wrongful act.
- (e) Each Party's duty to indemnify shall survive the termination or expiration of the Agreement.
- (f) The foregoing indemnity is specifically intended to constitute a waiver of each Party's immunity

11-0623

under Washington's Industrial Insurance Act, chapter 51 RCW, respecting the other Party only, and only to the extent necessary to provide the indemnified Party with a full and complete indemnity of claims made by the indemnitor's employees. The PARTIES acknowledge that these provisions were specifically negotiated and agreed upon by them.

SECTION NO. 8: RELATIONSHIP OF THE PARTIES

The PARTIES intend that an independent contractor relationship will be created by this Agreement. The SHERIFF shall be an independent contractor and not the agent or employee of the CITY, that the CITY is interested only in the results to be achieved and that the right to control the particular manner, method and means in which the care and housing of CITY prisoners is performed is solely within the discretion of the SHERIFF. Any and all employees who provide the care and housing of CITY prisoners to the CITY under this Agreement shall be deemed employees solely of the SHERIFF. The SHERIFF shall be solely responsible for the conduct and actions of all employees under this Agreement and any liability that may attach thereto. Likewise, no agent, employee, servant or representative of the CITY shall be deemed to be an employee, agent, servant or representative of the SHERIFF for any purpose.
